SCC-14: 10-05100-00855-63
Storage Temp: 0°deg;F
Servings per case: 48

Features & Benefits

- Campbell's® Soups are made from the finest ingredients, for the real food taste that distinguishes a great bowl of soup. Campbell's Soups are made with real stocks, bright crisp vegetables, no added MSG and zero grams of trans fat.
- Campbell's® frozen condensed soups are primarily water reconstituted with the exception of our Boston Clam Chowders, New England Clam Chowders and Poblano Corn Chowders. Water reconstitution is designed to save you over \$1/gallon of soup!
- Campbell's® frozen condensed soup packaging is designed with the needs of your operation in mind. Campbell's® split pack tray allows for quicker preparation time, allows you to make as little as ½ gallon at a time with the tray acting as a measuring device for reconstitution. The compact 3-tray ensemble allows you to offer more varieties while maximizing your freezer space.

Serving Ideas

Combine with Campbell's® Maryland Style Crab soup for a Spicy Seafood Chowder.

- Garnish with cooked, crumbled bacon and diced bell peppers.
- Signaturize the soup in your operation by using an alternate name like Beantown Clam Chowder, Down East Clam Chowder or Wicked Awesome Chowda.

Preparation & Storage

Shelf Life: 21 MONTHS--FROZEN

Preparation:

THIS PRODUCT HAS NOT BEEN FULLY COOKED BEFORE FREEZING. **CAREFULLY FOLLOW THE RECOMMENDED COOKING TIMES AND TEMPERATURES TO ENSURE COMPLETE COOKING.** **Cooking Directions:**

This product may be tempered up to 5 days in a 40 degrees F. refrigerator prior to cooking.

Peel back plastic film starting from one edge. Keep film to view cooking directions.

1. If soup is frozen, run knife around soup blocks in trays to loosen. Empty the 2 trays of soup into large saucepot.

2. Fill both of the trays with **whole milk**(64 fl. oz. in total). Add to saucepot.

Handling Guidelines:

KEEP FROZEN AT 0°F OR BELOW
COOKING DIRECTIONS
MIX WITH WHOLE MILK
KEEP FROZEN UNTIL READY TO USE
DO NOT USE IF PUNCTURED OR TORN
DO NOT REFREEZE
FDA SAFE HANDLING INSTRUCTIONS
