Features & Benefits

•Campbell's® Soups are made from the finest ingredients, for the real food taste that distinguishes a great bowl of soup. Campbell's Soups are made with real stocks, bright crisp vegetables, no added MSG and zero grams of trans fat.

•Campbell's® frozen condensed soups are primarily water reconstituted with the exception of our Boston Clam Chowders, New England Clam Chowders and Poblano Corn Chowders. Water reconstitution is designed to save you over \$1 per gallon of prepared soup!

•Campbell's® frozen condensed soup packaging is designed with the needs of your operation in mind. Campbell's® split pack tray allows for quicker preparation time, allows you to make as little as ½ gallon at a time with the tray acting as a measuring device for reconstitution. The compact 3-tray ensemble allows you to offer more varieties while maximizing your freezer space.

Serving Ideas

•Garnish with chopped green bell peppers, tomatoes and onions, serve with warm herbed biscuits.

•Create a signature Harvest Corn and Butternut Squash Chowder by mixing in 3 cups butternut squash puree, 2 tsps ginger powder and 1 tsp dried sage. Top with roasted pumpkin seeds.

•Prepare a Sonora Fire Roasted Corn Chowder, add sauteed fire-roasted corn and pepper blend, and top with avocado salsa and tortilla strips.
